

EnTele-Voice Local Business Line Service Options

EnTelegent Solutions offers three grades of POTS service to meet the need of your business:

Measured Line - POTS:

EnTelegent Solutions offers our Measured Line service which helps you save on your monthly service fees. This service is for the customer who needs the very basics in service and doesn't need to pay for all the extras. Choose only what you need. Most commonly used for alarm lines and elevator phones.

Usage Rates:

- * Local calling - Outbound - \$0.045 per minute

Flat Rate Line - POTS

EnTelegent Solutions offers our Flat Rate Line service which helps you save on your monthly service fee and includes unlimited local calling.

Usage Rates:

- * Unlimited Local Calling - Included

Pick any combination of the below features per line: \$3.50 MRC per feature
